

Certificate

This is to certify that

Undertook the learning:
Relationship-based Practice with Adults - What is it,
What Does it Look Like and What are the Benefits?

Date undertaken:

Time spent:

Gaining an understanding of what relationship-based practice is and the opportunities it presents in work with adults, developing awareness of the IDEAS model and how it can aid self-evaluation and reflection, and understanding how you can help to create the conditions for relationship-based practice in your organisation.
